CIA Cartoon Clicked!

As both the director of the Central Intelligence Agency and a Texan, Admiral William Raborn could not help but take note of the tribute paid these two distinctions in a recent edition of your newspaper. The editorial cartoon of 13 April 1965 so amused him that he has asked me to see if he might have the original to mount for his office.

RAY S. CLINE
Deputy Director (Intelligence)
CIA, Washington

● *The original of Bob Taylor's cartoon has been sent to the new chief of the CIA.—Ed.*
